

**Product War**  
**Multiplication Practice**  
**Math Activity for 3<sup>rd</sup>-4<sup>th</sup> Grade**

# **Product War**

Purpose: The purpose of this game is to help students practice multiplication facts with randomly generated numbers.

## **Materials:**

- 2 decks of cards with Jacks, Queens, Kings and Jokers removed

## **Directions:**

1. Students sit across from one another
2. Students turn over one card each at the same time
3. Students multiply the 2 values of the cards together and call out the product
4. Student who calls out the correct answer first, wins both cards
5. If student calls out the incorrect answer, he/she must turn over two cards before play resumes
