First Grade Circle A Sum
$\left.\begin{array}{|l|l|l|l|l|l|l|}\hline 4 & 3 & 1 & 8 & 2 & 4 & 6 \\ 7 \\ \hline 0 & 5 & 2 & 3 & 1 & 4 & 2\end{array}\right) 3$

## Circle A Sum

## Directions:

1. Look at the grid of numbers. Look for 2 or more number which add up to "6", "7", or "8".
2. Look at the numbers in red. If you add these numbers together you would get a total of "7" so you could circle those two numbers together.
3. With your colored pencils, circle other numbers that total either 6,7 , or 8 .
4. You may not use all of the numbers.
